## HomeCumming!

I was at work doing sweet FA because I was thinking about sex.

I was going through a bit of a dry spell with my boyfriend being away and all I wanted was a good hard length.

Just so he got the message when he finally came back I put on my sexy fishnets and some killer heels.

I wasn't disappointed when he came home - he had a hard-on already!

I had been watching porn and wanking. Needless to

really wanted to fill me up.

I sat down and spread my legs, inviting him to plunge into me as far as he could.

He didn't need asking twice and moments later he had sunk himself

say he had his clothes off in seconds flat and his face was buried in my wet pussy before I had a chance to say hello!

He expertly licked me out with his fingers buried in my chuff.

Then he stood up and I took his whole length into my hot mouth. He let out a long moan of pleasure.

I could already taste pre-cum on his helmet and this drove me on to suck him even harder.

He stopped me and told me he'd saved a week's worth of cum for me and

all the way in and his heavy balls were slapping against my arsehole.

He started to fuck me hard and I was close to cumming but I wanted him to fuck me from behind while he pulled on my doggy chain.

He flipped me over and nudged his cock against my arsehole. This was a great idea as I could slip my vibrator inside my cunt and get fucked in both holes.

He fucked me gently in the arse but I wanted it hard. I told him not to hold back but to save his cum.

With that order given I was soon screaming the house

down as both holes got fucked.

He told me he was close and that made me cum. I came so hard I ejaculated all over his legs and mine. I might even have peed myself but I didn't care.

Now I felt really filthy and wanted his hot cum down my throat.

He pulled out of my aching bumhole and I turned over and positioned myself under his cock.

He wanked hard onto the tip of my tongue and soon jet after jet of lovely hot cum was pouring down my throat.

He wasn't lying about not wanking for a week - I had to gulp

twice to get it all down me. It's supposed to be good for you!

Hope I got you hard.

Robyn, Kings Lynn.

What better way to kick off the new year than with the sparkling smile of Hertfordshire hottie Lu Elissa? And to add to the occasion, she's gone and got herself all dolled up in some sussies for us!

"Not jut for you – I love wearing suspenders anyway! In fact I quite often wear them when I'm on my own around the house. It usually ends up with me feeling really horny and fantasizing about a horny stranger knocking at the door! Unfortunately it's never come true, yet..."

### DOCTOR SMOO

Britain's randiest granny's been at it again! Yep, Lacey Starr's really grabbed the opportunities the third age brings with both hands, although that's not the only thing she's been grabbing - every cock and pussy that passes her way too, by the look of things. She's a sex therapist and, wouldn't you know, the treatment for all her clients is loads of nookie! Still, given that her clients include Escort girls like Tindra Frost, Charlie Tan and Tomoko we're not complaining - and nor is Dr Lacey when she takes backdoor bangings from Pascal White and Antonio Black. It's no wonder she's gone grey! Available from your local sex shop.

### TIGHT RUSSIANS!

To quote Boney M - and why wouldn't you want to do that? - Oh those Russians! When they're not sending out secret agents to poison people, doping their athletes or meddling in the elections of other countries they're busy making some of the horniest scruff on the planet! This flick from Private features five cuties, all being put

through their paces to see if they've got what it takes (an unquenchable appetite for having cock crammed here, there and everywhere!). And guess what - they have! They're all cracking looking girls, who anyone with half a brain would be thrilled to have a bunk-up with, but special honours have to go to Ria, Anne and the oddly named Emily Bender, all of whom go in for some corking anal along the way.

Me and my wife Yvonne have been regular readers of Escort for many years now (we even submitted a dirty story a few years back about a particularly exciting adventure we had on holiday), and one annual tradition we like to keep up is flicking through your December issue to find the Christmas set which we both admire for a while before the inevitable frantic fuck follows. This year, thanks to your inclusion of a second Christmas set, we had a particularly energetic Christmas morning! Luckily for me I'd bought Yvonne a new toy to add to her collection, so I was able to have a bit of a breather while she pleased herself with her new vibe, although needless to say this soon had me raring to go again and I was soon plundering her dripping fuckhole like a randy teenager! If only we'd had Satine, Tindra or Louisa there to join in, but having the pictures of them to inspire us was almost as good!

Mark, Leicester.

**Julia says:** Glad we can be of service! Sounds like you and Yvonne have got the perfect festive arrangement!

## DEAR JULIA

May I be the first to wish you a happy and prosperous New Year, and to hope that you'll keep on producing the horniest mag on the market for another scintillating 12 months (and more!). I've lost count of the hours of fun I've spent enjoying Escort over the years, and it never lets me down, with a stunning selection of seriously horny women putting it all on show month after month! As a lover of the more curvy figure, I thought Ashley and Shione saw out 2018 in the perfect style, and I can't wait to see what you've got in store for us in 2019!

Jim, Skipton.

**Julia says:** Thanks Jim! I'm sure we'll find plenty more treasures for you this year.

This one gets off to a flying start, as Mira (see page 55) is introduced to Mark - "The man who's going to put his cock in your arse." And after she's shown off her legs it's down to business, noshing him off before presenting for a doggy-style shag that soon turns anal. There's a cracking pop to finish with spunk flying everywhere. Plenty my anal action follows, with a DP thrown in for good measure! No nonsense botty fun for those in the know. Available from you local sex shop.

Natural Realskin Hot Cock  
£39.95

[www.sextoys.co.uk](http://www.sextoys.co.uk)

Keeping warm at this time of year can be a bit of a struggle, can't it? There's always the electric blanket, of course, or the hot water bottle, but here's a novel and uniquely satisfying way to fend off those winter chills - a heated dildo! That's right, this crafty beggar, at the press of a button, warms up to a very satisfactory 45°C, which apart from anything else makes it feel much more like a real, living cock than a cold slab of silicone! Waterproof and rechargeable by USB, and with a 12-function motor, this bendy vibe is guaranteed to turn up the heat on a cold and frosty night!

Happy New Rear!

Gridiron fans won't need telling that Superbowl rolls around in a few weeks' time, so we thought we'd mark the event by getting American football fan KTee to give us her own little tribute to the game...

"Yeah, I love it! All those great big hunky guys getting all sweaty and bashing each other about! I wish they played it here more – I'd love to be a cheerleader. I'd make sure the guys in the team were always up for it, and even if they lost I'd make sure they never felt too bad about it for long, if you know what I mean!"

# REAL WIFE SEX

*Saucy Sara can't help but cheat with Pete*

**He watched as I parted the lips of my pussy to expose my clit. It was bright red with desire...**

nipples very clearly through the lace and I traced their outline with my wet fingertip. I moved closer to him but remained standing and lifted up my mini-skirt to give him a great view of my soft, creamy thighs and tight panties. I stepped closer to him and my pussy was so close to his face, he could smell how turned-on I was and

his cock grew harder. I gently stepped out of my skirt and he could see my tight panties were crotch-less. We said nothing to each other but kissed again, turning ourselves on even more.

Without warning, I stepped back and started to move sensuously to the music playing on the TV. I gave Pete his own floor show and he was mesmerised by my tits swaying as my body moved. I became his private dancer as I slowly removed my top and pulled my bra straps down. I raised my hands above my head before reaching behind my back to undo my bra. My tits spilled out and I play with each

I recently started having an affair with a married guy. Pete lives a few miles from my home and is the horniest guy I have ever set eyes on. His wife is gorgeous too, but she's an air hostess so she's away a lot of the time and it seems Pete can't handle not having sex for a few days, which is where I come in.

At first I felt bad for sleeping with another woman's man, but I'm very highly sexed and my hubby's never been able to satisfy my needs. When Pete told me it was his birthday and his wife was away, I decided to succumb to the prior flirting between us and give him an unforgettable present.

I drove to his house, dressed in matching black stockings, suspenders, tight mini-skirt and bra under a tight black top. My panties were, barely covering my pubic hair. I covered all of this with a black coat so as not to cause a stir with his neighbours!

Pete opened the door, already semi-hard at the thought of what he would experience. We kissed deeply and his sexy tongue darted into my mouth. He had just showered and was wearing a dressing gown to give me easy access to his cock.

I removed my coat in the hallway and watched his face in the mirror as he stared at my breasts trying to escape from my top. I turned away and

bent down to remove my shoes, feeling his eyes staring at my bum as he took in the tightness of my panties. They barely cover my cheeks and he started to touch my bum but I stopped him immediately. Today I would be in control.

I kissed him hard on the mouth and then held his hand to lead him into the lounge. Pete sat down on the settee and I stood in front of him and began to undo my top. I kept it on but pulled the material aside to give him a good view of my bra. Pete could see my erect

Suddenly I felt his hard cock against my open cunt and he was inside me again, fucking as hard and fast as he could. Pete squeezed my arse and hanging tits as he fucked me and we both cried out in exquisite pleasure until I felt his hot spunk spurt deep inside my engorged pussy and I came once more with a gigantic shudder. I do feel guilty, but I know that great sex is always on the cards with Pete, and nobody's getting hurt.

nipple in turn, still gyrating to the music. I moved my left breast into my mouth and moaned softly as I used my tongue to lick my stiff nipple to turn myself on. Pete's cock grew and he started to wank with his eyes locked on my tits.

The track ended and I stepped forward towards Pete, who was still sitting on the settee. His gorgeous cock remained erect and a drop of pre-come oozed from its tip. I stopped him wanking and pushed him back. He did so without any resistance and I moved my body closer to his.

Without warning, I knelt beside him and he watched as I parted the lips of my gaping pussy to expose my clit. It was bright red with desire and he watched as I stuck three fingers into my aching, gaping hole. I removed my fingers and offered them to Pete to lick. He gobbled my juices and demanded more. Still kneeling, I moved towards his face and lowered my swollen pussy onto his willing tongue. He licked my cunt rhythmically as his hands rested on my pubic hair. His lips kissed my dripping pussy and he pushed his tongue deep inside me. Within minutes, I screamed with pleasure and came again and again.

Pete sat up, tore off my soaking panties and grabbed my suspender belt hard. He pulled me upstairs to the bedroom, pushed me onto his king-sized bed and I turned to look in the mirror as he pushed his massive cock deep inside me. He totally filled my twat, stretching me wider than I'd ever been before. After a few minutes of fucking hard, Pete turned me over onto my knees and parted my sopping wet pussy with his fingers.

## WASH AND TUMBLE

**M**y husband brought me a new washing machine for my birthday and although needed I was pretty fucked-off as I was hoping for a dirty weekend away or some lingerie.

Anyway the next day I was doing the housework as usual. Popping in the dirty washing I carried on about the house. Suddenly I heard water pouring out of the machine! Screaming, I ran over slipping on the soapy

water and I tried to turn it off. It wasn't working and water was spurting out everywhere. Still screaming, I ran out the house not really knowing why and spotted a guy from down the road. I must have looked

like a mad woman as I ran up to him, grabbed his arm and dragged him into my kitchen. He managed to turn the machine off but not before he was soaked though.

His body was amazing and I felt so naughty spying on him. I felt my hands sliding in between my wet clothes and skin.

The more he took off the deeper my finger went inside me.

Getting carried away I let out a groan and he turned around surprised to see me. Feeling my cheeks burn up I told him I was sorry and pushed the door closed. In two secs he opened the door and I saw he was sporting a massive hard on. He told me to get out of my clothes and get in the bed.

Without thinking what I was doing I followed his orders. Walking over to the bed he stuck his cock in my mouth and I gladly sucked him hard, licking at his balls as he played with my tits.

Removing his dick from my mouth he went down on me, something my husband has not done for years. Feeling his tongue darting in, out and around my pussy was heaven.

I felt his mouth move to my arsehole and he licked and fingered it and it felt amazing.

I couldn't believe I was being fucked by a stranger in our bed, let alone about to try anal sex for the first time!

He eased his cock up my virgin arse. The more I relaxed the deeper he went. Soon he was fucking me hard, his fingers playing with my clit. We were soon ready to cum and as I felt his hot spunk shoot up my arse I came all over his hands screaming in ecstasy. Turns out my husband's present was the best ever.

Stella, Warwick.

Out of breath, we sat down on the wet floor and I noticed how sexy he was.

Feeling awful about him getting all wet I offered him my husband's clothes to change into. He gladly accepted and I showed him to my bedroom. Leaving the door ajar I watched as he got naked.

But they say it's better to give than to receive, don't they?

A woman with long, straight red hair is posing in a pink two-piece bikini. She is standing in front of a large window that looks out onto a green landscape. The word "MIRA" is written in a large, stylized, pink-outlined font in the top right corner.

# MIRA

Well you look pretty excited to be here, Mira!

"Of course I am – I'm just about to get fucked by a horny stud who's going to cram his fat cock up my virgin arse!"

Ah yes, of course (see review of British Anal Sluts on page 11)! So aren't you a bit nervous?

"A little bit, but I've been practicing with a dildo for the last few days and I reckon I can take whatever he's got!"

That's the spirit of dedication we love!

# Angela

Here, Angela, you've got a funny idea about how to get clean in a shower. Firstly it's a lot easier if you take your clothes off first, and secondly, when you're clean, what do you want to go and pour a load of milk all over yourself for? You'll only have to have another shower!

"Well that's all you know! Maybe for most people showers are for getting clean, but I think they're best for getting nice and dirty! And I've had lots of filthier things splashed all over me than a drop of milk! Now is that a loofah in your pocket, or do you want to hop in?"

## Cock-A-Bi-BaBe!

**I** may be bi but I take cock like a trooper!

Last week my man and I headed into town to visit an adult cinema. I was dressed in a three quarter coat to hide my skimpy attire underneath. My partner led me to a row of seats near the front and we sat down to watch the feature. There were two men to the left of me and two blokes in the row in front of us.

The first scene that filled my vision and made my pussy all squishy was some young lady being fucked while sucking on a monstrous cock.

My juices were flowing so freely I decided to take my thong off and begin skimming my pussy with my fingers.

The two blokes next to me began to eye me up. If they couldn't see me well in the gloom they could certainly

smell my pussy!

I spread my legs for them and gave them a flash then reached to my left and released the stranger's already solid cock from his trousers.

I did the same with my partner, whose penis was already satisfyingly rigid and ready for action.

I wanked both cocks till they were grunting with pleasure then got down on to my knees, moved my partner into the seat I'd just vacated and settled down in between the two strangers and him.

I slowly sucked their dicks in turn, taking special care

over the strangers' bloated ball bags and purple heads, thrusting my

tongue into their japs-eyes and making them gasp with pleasure.

My juices

were flowing like mad when the first stranger gave me both barrels in the back of the throat. I swallowed every drop while the second stranger next to him furiously wanked.

Then I leaned over and sucked my partner's dick while the second stranger thrust his cock into my pussy. I looked deep into my partner's eyes while this stranger thundered his massive cock in and out of me.

The blokes in the front row had not been unaware of what was happening and one had already got on his back. I squatted on his fat cock while stranger 4 wedged his cock up my tight little arse.

They fucked me like this while my man fed his cock into my mouth and fucked my face.

Stranger 4 let out a growl and a grunt and fired hot man juice up my arse while my partner held my head in both hands and fucked me in the mouth till he covered my tonsils.

This was too much for me and I soon orgasmed all over stranger 3's dick.

In turn he fucked me hard and fast until my body was shaking with wave after wave of pleasure, then filled my cunt with juice.

Louise, West Mids.
